

ICEdge

2025 1ST INTERNATIONAL CONFERENCE ON INTELLIGENT COMPUTING AND SYSTEMS AT THE EDGE

December 18-20, IISc Bangalore Campus, Bengaluru, India

Objective and Description:

The tremendous progress in Artificial Intelligence (AI) and Internet of Things (IoT) technologies has opened up fresh possibilities for innovation and enhanced system-level efficiency across diverse vertical spaces in the technologies involved. The confluence of intelligence, pervasiveness, and energy efficiency, fueled by artificial intelligence of things (AloT), is paving the way for a new era of intelligent systems capable of real-time sensing, processing, energy-efficient secure communication and actuation, eventually resulting in improved system-level decision-making and resource optimization at the Edge. This Conference on Intelligent Computing and Systems at the Edge seeks to unite researchers, practitioners, and industry experts to exchange their most recent discoveries, experiences, and insights in the exciting domain of AloT and System Development at the Edge.

Topics of Interest:

The topics of interest for the conference include, but are not limited to:

- Emerging Sensing Technologies for Edge IoT
- Computing Architectures and Technologies at the Edge
- Tiny Machine Learning for the Edge
- Generative AI for Edge IoT
- AI and IoT for the Metaverse
- Energy-efficient and Secure Communication Techniques for AloT Systems
- Emerging AI algorithms and architectures for IoT systems
- Machine learning and deep learning for IoT systems
- AI-driven IoT security and privacy concerns and solutions
- AI-based Industrial IoT data analytics/visualization
- IoT-enabled AI applications, involving smart cities, smart homes, smart cars etc.
- Natural language processing and conversational AI for the Edge
- AloT applications in robotics and industrial automation
- Scalability, performance, and energy efficiency in AloT systems at the Edge
- Intelligent Battery and Power Management for AloT systems
- Ethical considerations and need for Standards in AloT Systems

SPONSORSHIP INFORMATION

Diamond
≥ USD 2000/
≥ INR 170000

Platinum
USD 1500/
INR 130000

Gold
USD 1000/
INR 85000

Silver
USD 500/
INR 42500

USD 1,500/
INR 130,000

USD 1,000/
INR 85,000

USD 500/
INR 42,500

- ✓ Display of Logo on side panels of conference backdrop
- ✓ Company Logo and link on Conference website
- ✓ 2 Exclusively Branded Corporate Banners/Standeers at the Lunch Venue*
- ✓ Complementary passes to 10 delegates
- ✓ Invitation to deliver a technical talk
- ✓ Inclusion of company profile on registration kit

- ✓ Display of Logo on side panels of conference backdrop
- ✓ Company Logo and link on Conference website
- ✓ 1 Exclusively Branded Corporate Banners/Standeers at the Lunch Venue*
- ✓ Complementary passes to 6 delegates
- ✓ Invitation to be part on a panel

- ✓ Display of Logo on lower side panels of conference backdrop
- ✓ Company Logo and link on Conference website
- ✓ 1 Exclusively Branded Corporate Banners/Standeers at the Lunch Venue*
- ✓ Complementary passes to 4 delegates

- ✓ Display of Logo on lower side panels of conference backdrop
- ✓ Company Logo and link on Conference website
- ✓ Complementary passes to 2 delegates

* The banners/standees would be contingent upon the availability of physical space and approval
